

SPECIALIZED AND PURPOSE-BUILT EQUIPMENT

DUC Marine Group is able to respond swiftly to the requirements of any project and can quickly create a taskforce with the required personnel and equipment. We are renowned for our ability to manufacture custombuilt equipment tailored to the job at hand.

OUR HISTORY

Dutch Underwater Contractors was established over 30 years ago as DUC Diving BV. We started in 1984 as a diving company working mainly on inland projects. Today, as a result of continuous growth and development, we are a global operator providing services across a wide spectrum of industrial sectors. To reflect our full scope of activities and expertise, we have renamed our company as "DUC Marine Group".
